SOME MODELS & MODEL YEARS REQUIRE ADDITIONAL SERVICES

Some mileage intervals may require additional inspections, but are included in the prices above.

POSSIBLE RECOMMENDATION AS A RESULT OF INSPECTION:

Iridium spark plugs: \$10.37

Computer four wheel alignment: \$79.95

Air filter xD models: \$15.00

Please remember additional work may be recommended after inspection, and the likelihood will increase as the miles on the car get higher. Since everyone has different driving habits it's not possible to determine when and what components will need to be repaired or replaced. Contact your service advisor for pricing.

Prices Valid as of 04/28/08. For an appointment, please call 888-479-6796.
